

## 2 Port DVI-I Video Splitter and Signal Amplifier

StarTech ID: ST122DVIGB

This DVI splitter lets you share DVI video signals between two displays and acts as a signal amplifier that allows you to locate your DVI monitors up to 33ft (10 m) away from your computer or DVI signal source, while maintaining high definition display resolutions up to 1080p.

A simple and convenient DVI video solution that suits virtually any application or operating environment (classroom, healthcare, professional A/V, control centres, retail POS environments), the DVI splitter/distribution amplifier is easy to install, providing you with flawless digital video that will help you get the most from your DVI-enabled monitors, projectors, or plasma screens.

Designed to provide dependable performance, the DVI splitter/signal distribution amplifier is backed by StarTech.com's 2-year warranty and FREE lifetime tech support.

### Applications

- Allows you to connect your system to DVI enabled projectors, LCD monitors, plasma displays, commercial billboards, and wall display systems
- Ideal for use by A/V professionals and graphic designers as well as for use in airport, POS, military, government and educational settings

### Features

- Distributes accurate and reliable reproduction of digital video signal from a computer to 2 DVI enabled monitors or projectors
- Eliminates signal attenuation and distortion
- Maintains the highest DVI single link video resolution
- Supports high digital resolutions of up to 1600x1200 pixels

## Technical Specifications

Warranty	2 Years
Ports	2
Industry Standards	DVI 1.0
Connector Type(s)	3 - DVH (29 pin) Female
Maximum Cable Length	393.7 in [10000 mm]
Maximum Analog Resolutions	1600x1200 @ 60Hz
General Specifications	25 ~ 165 MHz (VGA ~ UXGA)
General Specifications	Note that this product is not intended for use with widescreen displays.
Color	Gray
Product Length	7.9 in [200 mm]
Product Width	3 in [75 mm]
Product Height	1.7 in [42 mm]
Product Weight	21.9 oz [620 g]
LED Indicators	1 - Power
Input Voltage	7.5
Input Current	1.5
System and Cable Requirements	DVI graphics card
Shipping (Package) Weight	3 lb [1.4 kg]
