

4 Port HDMI Audio / Video Splitter

StarTech ID: ST124HDMI

This 4-Port HDMI video splitter lets you share a single HDMI OUT port with up to four HDMI-capable displays/receivers, with no loss of image quality.

Supporting true HD video resolutions up to 1080p, the HDMI splitter also acts as an HDMI video distribution amplifier/signal amplifier, allowing you to locate your HDMI-capable displays up to 50ft (15m) away from the HDMI source.

A perfect addition to virtually any application requiring the high quality video delivered by HDMI devices, the HDMI video splitter is easy to install and provides flawless, distortion-free digital video.

The 4-port HDMI video splitter offers dependable operation and is backed by StarTech.com's 2-year warranty and free lifetime technical support.

Applications and Solutions

- Connect HDMI enabled projectors, monitors, plasma screens, commercial billboards, and wall display systems
- Ideal for classroom, corporate, healthcare, professional A/V, control centres, conference halls, and retail environments.

Features

- Built-in EDID simulator and HDCP keyset allows each output to work independently when connecting to a HDMI display.
- Splits a HDMI source up to 4 outputs without signal loss.
- Supports a wide range of PC and HDTV resolutions-from VGA to UXGA and 480p to 1080p.
- Can be cascaded up to 3 layers
- HDMI 1.1 and HDCP 1.1 Compliant
