

4 Port USB 1.1 Hub for 3.5in Front Bay

StarTech ID: ST3504USB

The StarTech.com Internal 4 port USB hub can be mounted into any 3.5 inch drive bay and will turn 1 USB port into 4 USB ports. This product will allow for the hassle free connection of USB devices such as digital cameras, Zip drives, portable USB CD-R drives, USB file transfer cables and printers from front access ports. The ST3504USB provides both self-powered and bus powered modes of operation, and also provides per-port over current detection and protection.

Features

- Works with USB-compliant Windows and Mac computers
- Supports both Open Host Controller Interface (OHCI) and Universal Host Controller Interface (UHCI)
- Easily mounts internally into any available 3.5" drive bay
- Includes 1 internal USB cable for connection to the PC USB port
