

## 4 Port Silver USB 2.0 Hub

StarTech ID: ST4205USB

This 4 Port USB 2.0 Hub turns a single USB 2.0 port into four USB 2.0 ports, letting you connect your most demanding next-generation peripherals while relying on data transfer speeds of up to 480 Mbps. Backward compatible with the original USB (1.1) standard, the hub also supports older USB peripherals, allowing them to function perfectly with no adjustments.

Designed to make an attractive addition to any desktop workstation, the USB hub features a sleek silver casing and takes up minimal desk space. The hub also features Plug and Play connectivity and is supported by most popular operating systems including Windows 98SE/ME/ 2000/XP/Vista, MAC 8.6/9.X/10.X or later.

A convenient and versatile USB solution, the hub can operate in self-powered mode (drawing power from the USB bus) or by using the included power adapter. The USB hub includes a 6ft USB cable and is backed by StarTech.com's 2-year warranty.
