

## VGA Video Extender Remote Receiver over Cat 5 (UTPE Series)

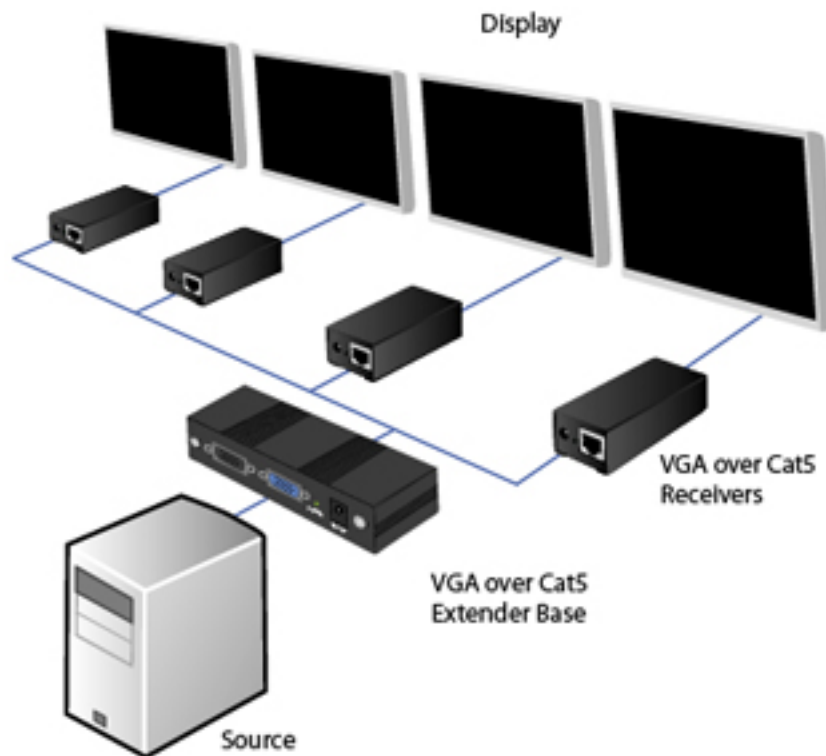

StarTech ID: STUTPRXL

This VGA Video over Cat5 Extender Remote Receiver can be installed with StarTech.com's 4 port Cat5 over VGA extender (ST124UTPE), 8 port VGA over Cat5 extender transmitter (ST128UTPE) or the wall-plate transmitter (STUTPTXWAL) allowing remote monitors to be connected up to 300m (950ft) away from the source. Plus, for ease of installation the STUTPRXL includes the mounting bracket for installation onto back of displays, mounts, and walls.

### Applications and Solutions

- Use digital signage to catch the attention of your audience and deliver up to date content the way you want it to be seen and heard.
- Place the display in a convenient viewing area, while the system equipment is placed elsewhere in a clean and secure environment
- Ideal for digital signage applications in financial, educational, and business sectors

## Features

- Includes mounting bracket for installation onto back of displays, mounts, and walls
- Maximum Distance up to 950ft / 300m
- Supports a maximum resolution of 1920x1200 (resolution varies by distance)
- Works with ST124UTPE and ST128UTPE UTPE Series Transmitters
