

2 Port USB DVI Cable KVM Switch with Audio

StarTech ID: SV215MICDVIA

The SV215MICDVIA 2 Port USB DVI Cable KVM Switch with Audio allows you to control 2 computers from a single KVM (Keyboard, Video, Mouse) peripheral set, and supports resolutions up to 1920x1200.

This cable-style KVM switch includes all of the cables and connections required, for a complete KVM solution. Plus, the switch features independent audio/mic switching to ensure uninterrupted sound, even when switching between computers.

This broadly compatible USB KVM switch can be connected to Mac, Linux or PC-based computers, making it a convenient solution for most operating environments. Plus, because of its space-saving “KVM-on-a-cable” design, no desk space is required for installation – an ideal choice for most applications, including SOHO (small or home offices), gaming, multimedia production workstations and more.

Backed by a StarTech.com 2-year warranty and free lifetime technical support.

Applications and Solutions

- Control multiple desktops, workstations or servers that require full multi-media support
- Ideal for graphic designers, engineers, multi-media designers, and industries using CAD/CAM applications, where high resolution display units are required
- Sharing computers and attached peripherals in the home/SOHO/multimedia environment
- Great for PC test/burn-in computer control saving the desk space required for multiple monitors, keyboards and mice and allows remote access

Features

- Operating System independent - No software or driver required
- Micro cable KVM design with all necessary cables included
- Includes Remote Selector switch and supports hot-key computer selection
- Supports resolutions up to 1920x1200
- Hot Plug - add or remove computers without reboot
- LED indicators for easy status monitoring
- USB 2.0/1.1 specification compliant
- HDCP Compliant

Technical Specifications

- Warranty: 2 Years
- Humidity: 0~80% RH,
- Maximum Analog Resolutions: 1920x1200
- Maximum Number of Users: 1
- Operating Temperature: 0°C to 50°C (32°F to 122°F)
- Carton Quantity: 10
- Storage Temperature: -20°C to 60°C (-4°F to 140°F)
- Shipping (Package) Weight: 1.59 lb [0.72 kg]
- **Note:** One host cable is 47 inches long, the other is 24 inches. Remote selector is 70 inches long
