

10 ft S-Video to Composite Video Adapter Cable - MM

StarTech ID: SVID2RCAMM10

This 10ft S-Video to Composite Video Adapter Cable features a male S-Video connector as well as a male Composite Video connection, letting you connect devices with composite (“RCA”) video output to displays that use an S-Video connection (or displays with RCA connectors to devices with S-Video output).

The S-Video to Composite Video Adapter offers high quality construction that minimizes interference and produces a high-quality image without the need for bulky converters.

Applications

- Allows notebook computers with only S-Video output to display on almost any TV.
- Converts S-Video outputs of DVD player, Camcorders, Satellite Dish System and any video based component to your TV or monitor

Features

- Also works on S-Video devices with a 7 pin connectors
- Precision stranded copper conductors deliver the ultimate color separation clarity
- 75 Ohm Impedance
- 24K Gold Plated Connectors
