

External U320 VHDCI68M LVD/SE SCSI Terminator - Male

StarTech ID: TEU320EXTV68

This 68-pin SCSI terminator is compatible with Ultra320 and Ultra160 SCSI drives and offers a multi-mode design that works with both LVD and SE signalling.

The TEU320EXTV68 68-pin SCSI terminator is constructed using the highest quality components and is backed by our lifetime warranty.

Applications and Solutions

- External SCSI terminator allows you to terminate a SCSI chain that has no connector for termination
- Should be placed just before the last external enclosure in the SCSI chain

Features

- Designed for the new ULTRA 320 SCSI Drives
- Supports U320/U160/LVD/SE drives
