

Internal U320 HPDB68 Female SCSI Terminator LVD/SE

StarTech ID: TEU320INTM68

Terminators are a vital part of your SCSI chain: without proper termination your SCSI bus will not function. Make sure your internal HPDB68 SCSI cable is properly terminated with the TEU320INTM68. Compatible with Ultra320/Ultra160 SCSI drives, this multi-mode terminator works with both LVD and SE signaling. Like all our SCSI terminators, the TEU320INTM68 is constructed with the highest quality components and is backed by our lifetime warranty.

Applications

- Internal terminator allows you to terminate a SCSI chain that has no connector for termination
- Should be placed just before the last SCSI device

Features

- Supports U320/U160/LVD/SE drives
- Terminates an HPDB68 Internal SCSI cable

Technical Specifications

Warranty	Lifetime
Connector A	1 - HPDB68 SCSI-3 (68 pin; Half-Pitch; IDC68) Male
