

SCSI3 Internal LVD/SE Terminator HPDB68F

StarTech ID: TE_33A21

The StarTech.com Internal 68 Pin LVD/SE terminator is 2 terminators in 1! It provides the termination necessary at the end of a chain of U2W/U3W LVD SCSI drives, but is also capable of providing active negation termination to Ultra-Wide single-ended SCSI drive chains. This allows it to be used and re-used in any configuration

Technical Specifications

- Warranty: Lifetime warranty
- Connector A: 1 - DB68 Half-Pitch Female
- Color: Black
- Maximum Cable Length: 3000
- Shipping (Package) Weight: 0.09 lb [0.04 kg]
- Connector: Half Pitch DB68 Female
