

USB 2.0 to SATA Adapter

StarTech ID: USB2SATA

This USB 2.0 to SATA Adapter lets you connect any SATA hard drive to a USB-enabled Mac or PC, without having to take the computer apart - convenient solution for quickly testing SATA hard drives or dumping data off of a SATA hard drive.

The adapter supports any 2.5in or 3.5in Serial ATA (SATA/150, SATA/300) hard drive, as well as 48-bit LBA addressing to accommodate large capacity hard drives.

Designed to provide durable connectivity, the USB 2.0 to SATA adapter is backed by StarTech.com's 2-year warranty.

Applications

- Connect any SATA hard drive to a PC equipped with a USB port without taking apart your computer
- The perfect solution for quickly testing and swapping SATA hard drives

Features

- Connect any 3.5" or 2.5" SATA I or SATA II drive to a USB port
- With USB connectivity you can easily install and hot-swap drives without shutting down your computer
- Supports USB 2.0 data transfer rates up to 480Mbps and backwards compatible with USB1.1 at 12Mbps
- Supports 48-bit LBA addressing for large capacity drives
