

2.5 ft USB A Female Retractable Car Charger Adapter

StarTech ID: USBAFRET CAR

This USB Retractable Car Charger connects to a car lighter adapter, to provide a female USB A charging port - allowing you to charge your cell phone, PDA or other electronic device from the convenience of your car.

The USB port is retractable, and provides a 2.5ft connection - giving you enough cable to position the device that's being charged in a convenient location.

Applications and Solutions

- Allows devices such as PDA, Smart Phones, GPSs, and MP3 players to re-charge their batteries while traveling

Features

- Converts a 12V DC Automobile Cigarette Lighter into a 5V DC 1000mA USB A interface
