

## Wi-Fi Detective: Wi-Fi Finder with LCD

StarTech ID: WIFIDETG

Wireless network configuration just got a lot easier! The Wi-Fi Detective instantly detects wireless hotspots, and offers an LCD display for simplified hotspot monitoring, providing the information you need to situate your network clients. Plus, the Wi-Fi Detective acts as a wireless network adapter, turning a wireless station into a WLAN access point. Plus, this handy device is equipped with a rechargeable Li-Polymer battery that can be charged each time the detector is connected to a powered USB port.

### Applications

- The Wi-Fi Detective will display detailed information about wireless network connections available in the surrounding area. Save time by not having to turn on your laptop to determine connection availability
- The Wi-Fi detective acts as a Wireless LAN USB adapter which complies with IEEE 802.11 b/g standards

### Features

- Complies with IEEE 802.11 B/G 2.4GHz standards Complies with IEEE 802.11 B/G 2.4GHz standards Complies with IEEE 802.11 B/G 2.4GHz standards
- Displays information about wireless hotspots within range. Detects SSID, signal strength, network types (802.11b/g), network mode (infrastructure or adhoc), operating channel, and number of access points detected
- Suitable for desktops and notebook computers
- Protect your network with 64/128/256-bit WEP, WPA (TKIP with IEEE 802.1x) and WPA2 (AES with IEEE 802.1x) security.
- Includes software access point function, which turns the wireless station into a wireless access point
- USB 2.0 and 1.1 compliant wireless LAN adapter supports windows 98SE/ME/2000/XP.
- Can also be used as a USB wireless LAN adapter with transfer rates up to 54Mbps.
- Features a rechargeable battery which can be charged through any USB port

## Technical Specifications

Warranty	2 Years
External Ports	1 - USB A (4 pin) Male
General Specifications	16dBm (Typical)
General Specifications	2.4000~2.4835GHz
General Specifications	4.2V Rechargeable Li-Polymer
General Specifications	54/48/36/24/18/12/11/9/6/5.5/2/1Mbps auto fallback
General Specifications	64/128/256-bit WEP Data Encryption, WPA (TKIP with IEEE 802.1x) and WPA2 (AES with IEEE 802.1x)
General Specifications	96x32 with EL backlight
General Specifications	IEEE 802.11g/b
General Specifications	Internal
General Specifications	The wireless LAN USB adapter will work with Windows 98SE, ME, 2000, XP, and Vista
Product Length	0.6 in [14 mm]
Product Width	1.1 in [28.5 mm]
Product Height	3.6 in [91 mm]
Product Weight	1.1 oz [30 g]
Shipping (Package) Weight	0.4 lb [0.2 kg]
Included in Package	1 - WiFi Detector
Included in Package	1 - Driver CD
Included in Package	1 - Instruction manual

## Certifications, Reports and Compatibility
