

Premium 6.6 ft (2m) RF Coaxial Video Cable

StarTech ID: ZENRF COAX2

Great for TVs, DVD Players, VCRs, Digital Satellite Receivers, Cable Boxes, Home Theater PCs, DVRs, TV Tuner Cards, and other equipment with a RF coaxial video cable connector.

You demand performance

You demand the highest possible quality from your video equipment. Shouldn't you demand the same level of performance from your cables? Welcome to Cable ZEN. Constructed to outperform the competition, our RF coaxial video cables deliver crisp images and rich color reproduction worthy of the investment you have made in your equipment.

You desire order

And because performance shouldn't come at the expense of clutter, Cable ZEN includes a unique color-coding stripe and cable management system that simplifies connections and keeps your setup organized and easy to manage. Performance. Order. A truly enlightened decision.

- Unique striping and cable management system
- Gold-plated connectors and quality cable construction
