

Premium 6.6 ft Toslink Audio Cable

StarTech ID: ZENTOS2

This high quality 2m (6.6ft) Toslink cable is ideal for connecting HDTVs, DVD Players, Receivers, HDTV Switches, or any device that requires a Toslink interconnect.

Our Toslink audio cables deliver clear, responsive sound reproduction worthy of the investment you have made in your audio equipment. Plus, all Cable Zen cables include a unique color-coding stripe and cable management system that simplifies connections and keeps your setup organized and easy to manage.

Expertly designed and constructed of only the highest quality materials, ZENTOS2 is backed by our Lifetime Warranty.
