

Sit-Stand Desk Converter - Large 35" Work Surface

Product ID: ARMSTSLG

This sit-stand desk converter, featuring a large work surface, lets you change your working position with ease, to enhance your comfort and productivity.

Go from sitting to standing, with one smooth motion

The sit-stand workstation is designed to support your ergonomic needs. With one touch, you can switch your position to sitting or standing, to keep a balanced level of movement. The workstation features an advanced pneumatic arm that provides effortless movement - you simply raise or lower the platform with one touch of the lever. You can adjust the standing desk to match your exact height requirements, with a height adjustment range of 15.7" (399 mm).

A cost-effective ergonomic solution

Create an ergonomic work space at a fraction of the cost of a standing desk. Simply place the sit-stand desk converter on your existing work surface (minimum 26" depth), to enjoy the benefits of a height-adjustable standing desk.

Flexible setup

With a large 35" (wide) work surface, the sit-stand workstation gives you plenty of setup options, supporting two monitors (up to 24" each), or one monitor (up to 30"), with a generous weight capacity of 12.7 kg (28.1 lb.).

You can also use the grommet hole and provided hardware to mount a monitor arm to the workstation. It supports many StarTech.com monitor arms including [ARMDUAL](#), [ARMPIVOT](#) and [ARMSLIM](#).

The ARMSTSLG is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications
