

# Desk-Mountable Tablet Stand with Articulating Arm for iPad or Android

Product ID: ARMTBLTI

This universal tablet stand lets you integrate your tablet seamlessly into any workspace by clamping it to your desktop or countertop work surface. This TAA compliant product adheres to the requirements of the US Federal Trade Agreements Act (TAA), allowing government GSA Schedule purchases.

## Customizable positioning

With this highly adjustable tablet stand, you'll be able to integrate your tablet into your workspace for maximum comfort and convenience. The stand features an articulating arm that enables you to easily position your tablet at the perfect height and depth for any application. The tablet holder rotates 360 degrees and can tilt and swivel for optimal position. The tablet holder also has a lockable switch that lets you ensure your tablet is properly secured.

## **Hassle-free installation**

You can easily secure this tablet stand to your work surface, by clamping it onto your desk or countertop. Plus, the built-in arm discreetly manages your charging cable for a tidy, professional workspace, that enables you to charge your tablet while it's mounted. The tablet holder features a claw mechanism that lets you easily remove and remount your tablet with ease.

## **Maximum durability**

This sturdy tablet holder ensures a secure home for your tablet with a solid-steel design that won't drop your tablet if it's bumped or knocked. The tablet stand combines this durable design with a sleek, professional finish that will look great in your home, office or storefront.

The ARMTBLTI is backed by a 2-year StarTech.com warranty and free lifetime technical support.
