

6in LP4 to LP4 SATA Power Y Cable Adapter

Product ID: PYO1LP4SATA

This LP4 to LP4/SATA Power Y Cable Adapter (PYO1LP4SATA) features an LP4 male connector that splits into one female LP4 power connection as well as a SATA female power connection, providing a cost-effective way to interconnect a SATA device (hard drive, optical drive etc.) as well as a device requiring a female power connector (i.e. IDE drives, etc.), to a legacy power supply that doesn't natively offer the necessary connections.

Expertly designed and constructed of only top quality materials, the LP4 to LP4/SATA Power Y cable is backed by our Lifetime Warranty.
