

1m (3 ft) Down Angle Apple 30-pin Dock Connector to USB Cable for iPhone / iPod / iPad with Stepped Connector

Product ID: USB2ADC1MD

The USB2ADC1MD Dock Connector to USB cable for iPhone®, iPod® and iPad® (1m) features a down-angled Apple® (30-pin) Dock Connector, which is ideal for wall-mounted or stand-mounted applications because it positions the cable behind your iOS-enabled mobile digital device for a neater installation that keeps the cable out of the way.

Plus, this uniquely constructed Dock Connector to USB cable features a stepped Apple Dock Connector, designed by StarTech.com, which unlike a regular connector plugs into your iPhone, iPod or iPad, even when inside a protective case while avoiding the inconvenience of having to constantly remove the cover for every charge/sync.

This durable cable is Apple MFi certified and backed by our lifetime warranty to ensure dependable performance.

Certifications, Reports and Compatibility

Applications

- Charge or Sync your wall/stand-mounted iPhone, iPod or iPad, without the cable getting in the way
