

3m Dock Connector to USB Cable for Samsung Galaxy Tab

Product ID: USB2SDC3M

The USB2SDC3M Samsung 30-pin Dock Connector to USB Cable for Galaxy Tab offers 3 meters in cable length, enabling you to stay connected while charging your tablet - a perfect solution for your hectic schedules, because it allows you to access the device even while it is plugged into your charger or desktop / laptop computer.

For convenient syncing and charging, the Dock Connector/USB Cable can be connected to a computer USB port for data transfers or for charging while you are working, or to a USB power adapter for simple charging from an available (wall) power outlet.

Backed by Lifetime Warranty, the dock connector to USB cable for Samsung Galaxy Tab™ is designed and constructed for maximum durability, making it a dependable replacement for damaged or misplaced sync cables.
