

5 ft Black Desktop SuperSpeed USB 3.0 Extension Cable - A to A M/F

Product ID: USB3SEXT5DKB

The USB3SEXT5DKB Black Desktop USB 3.0 Extension Cable connects to an available USB female port on a Mac® or PC computer, allowing you to relocate the USB (female) port up to 5-feet away from the computer case. By extending the USB 3.0 port away from the computer case, you can situate a USB 3.0 port from the computer in a more practical spot, such as on top of the computer case or on a desktop.

The extension cable features high quality Shielded Twisted Pair (STP) construction, helping to prevent electro-magnetic interference and ensuring reliable data communication.

A perfect solution for accessing digital cameras, MP3 players, USB flash drives or other external USB storage devices, the USB 3.0 male to female A-A Cable is backed by StarTech.com's Lifetime Warranty.

Certifications, Reports and Compatibility

Applications
